

## Aura Gravity Roof Ventilator with Curb Mount Flange

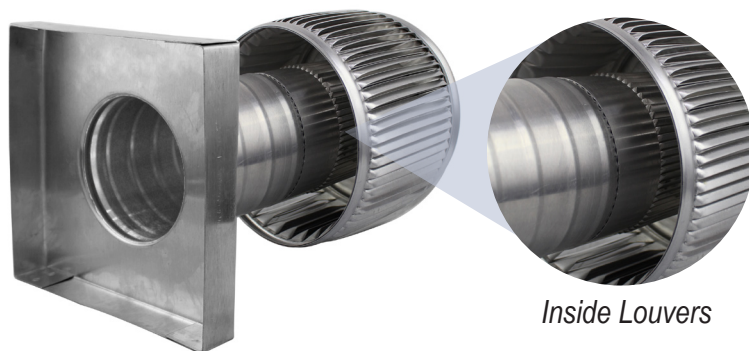

Model Number: **AV-4-C6-CMF** | 4" Diameter 6" Tall Collar

- Removes heat from the attic in the summer and moisture in the winter
- Louvers prevent rain, snow, insects and animals from entering
- Curb mount flange allows for easy access to the attic or duct below
- Exhausts air like a roof turbine but with no moving parts
- For low slope or flat roofs on top of roof curbs
- Constructed of durable rust-free aluminum
- Powder coat colors are available

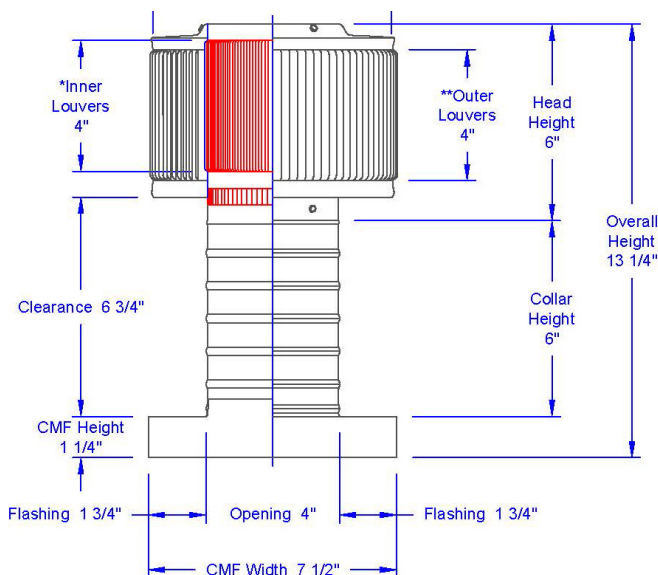

| CFM Performance Testing<br>(using wind only) |         |         |         |        |
