

Aura Gravity Roof Ventilator with Curb Mount Flange

Model Number: **AV-8-C12-CMF** | 8" Diameter 12" Tall Collar

- Removes heat from the attic in the summer and moisture in the winter
- Louvers prevent rain, snow, insects and animals from entering
- Curb mount flange allows for easy access to the attic or duct below
- Exhausts air like a roof turbine but with no moving parts
- For low slope or flat roofs on top of roof curbs
- Constructed of durable rust-free aluminum
- Powder coat colors are available
