

Technical drawing of a square frame assembly. The overall dimensions are 17" wide and 25" high. The frame consists of a central square opening with a side length of 15". The frame is composed of four panels, each 1.25" wide and 1.5" high. The panels are secured by screws, with four screws shown on the top and bottom edges. A green line indicates the hypotenuse of a right triangle formed by the 15" side and the 15" side, labeled "Hypotenuse = 24" (Note: this is a typo in the original image, it should be 21").
