ASF-08-C04 Aura Solar Attic Fan

Using both Solar and Wind Power for optimal Ventilation and Energy Savings

- Special design has the solar panel attached to the vent for durability.
- Solar panel works in direct sunlight; Exhausts passively on cloudy days and evenings using wind power
- 1/8th" louvers keep out wildlife and insects
- Durable all aluminum construction
- Head assembly is removeable for easy installation and maintenance, no assembly or electrical wiring required.
- Curb mounted flange allows for easy access to the attic or duct below
- 5 year warranty
- Paint colors available
