Roof Curb Base
(sold separately)
Call for specs.

(Image not drawn to scale)

- The Aura Gravity Vent's Louvers actively ventilate heat and moisture out from the attic.
- Included Curb Mount Flange allows an Aura Gravity Vent to be easily installed on to a roof curb. (see **figure 1** above)
- Compatible with EPDM, PVC and TPO roofs.
- A wide variety of heights and diameters available.
- Industrial sized gravity vents used to ventilate large structures.
