KV-09-TP Keepa Roof Jack Vent Cap

- To be used in conjunction with bathroom fans or other duct applications
- Rust free, all aluminum construction
- Inner louvers keep out insects, animals rain or snow from entering the duct
- Louvered design allows for maximum air flow while alleviating back pressure
- Standard 11 in. collar height great for low slope membrane roofs
- UL Certified, tested to wind pressures exceeding 50+ PSF
- Paint Colors Available
- Head of the vent is removable for quick and easy installation
- 5 Year Warranty
