# The Witches Hat Roof Vent

A gravity vent designed for Flat Roofs

**Seamless top prevents water or snow entry**

**Internal louvers prevent insects, rodents or birds from entering**

**Ventilates the attic by letting out hot air in the summer and moisture in the winter**

**Ideal for flat or low sloped roofs**

**Installs easily on EPDM, PVC, TPO and other roof membranes because of detachable head**

**Made of heavy gauge aluminum**

**Constructed of heavy gauge aluminum**
